The Year of the Metro in Mauritius

As 2019 unfolds, the Metro Express project reaches 59% progress implementation, to connect Port Louis to Rose-Hill as Phase 1. The Metro Express will be a reality in September 2019, changing the way people commute and offering a safe, comfortable and predictable traveling experience. Larsen & Toubro is mobilising more than 1200 people on its 32 sites to make the Mauritian dream a reality.
