

# **PRESS COMMUNIQUE**

## **Metro Express Project (Phase 2)**

### **One Lane Closure of Swami Sivananda Avenue between its junctions with Floreal Road (B5) and Sadally Road, Floreal**

The public is hereby informed that major works in the context of the Metro Express Project will be carried out along the left lane of Swami Sivananda Avenue between its junctions with Floreal Road and Sadally Road **as from Thursday 16 July 2020**.

Accordingly, the left lane of Swami Sivananda Avenue between the two junctions will be closed to traffic. The following traffic diversion scheme will be put in place:

- All traffic along Swami Sivananda Avenue will be deviated onto the remaining right lane.
- Traffic along Dr Harel Avenue will not be allowed to emerge onto Swami Sivananda Avenue; the traffic will be initially diverted onto Dr L. de Chazal Street and John Kennedy Avenue to join Swami Sivananda Avenue.
- Traffic along Impasse John Kennedy will not be allowed to emerge onto Swami Sivananda Avenue; the traffic be diverted onto John Kennedy Avenue to join Swami Sivananda Avenue.
- Traffic along Floreal Road coming from Vacoas willing to join Swami Sivananda Avenue will be initially diverted onto Dairy Lane to join the remaining right lane of Sivananda Avenue.
- Traffic will not be allowed to directly access Dr Harel Avenue or Impasse John Kennedy at their junction with Swami Sivananda Avenue; the traffic will be required to proceed through Floreal Road and John Kennedy Avenue.

Traffic signs will be set up to inform and guide road users on the approach to the works area. Traffic will also be controlled by the Police during rush hours.

Drivers are strongly advised to exercise caution when approaching the works area and to drive within the prevailing speed limit.

The Ministry regrets any inconvenience caused and relies on the cooperation of the public.
