

PRESS COMMUNIQUE

Metro Express passenger services updates

Following the government announcement on easing of the national lockdown restrictions, Metro Express Ltd is pleased to inform the public that as from Saturday, 01 May 2021, our passenger services will run from 06:00 hours to 19:00 hours **Monday to Sunday**.

WAP will no longer be needed to travel onboard.

Your safety is at the forefront of everything we do! We are continuing to deep clean the **Light Rail Vehicles** every night, with increased frequency of cleaning and disinfection of high-touch surfaces throughout the day.

We would also like to inform the public that all health and sanitary measures such as wearing of masks, body temperature checks are still mandatory before embarking the LRV and at platforms.

Please note that the expected frequency of trains will be every 15 minutes to ensure that all our passengers enjoy rapid and reliable journey times.

Passengers are advised to use MEGCard to travel on Metro Express in order to make ticketing as contactless as possible, minimise sanitary risk, and to avoid queues.

The MEGCard is safe and simple to use.

Our stations team, Train Captains and our Control Centre work together to ensure we keep you moving safely and comfortably.

We're wishing everyone who is returning to the network a safe and happy end of the week.

Thank you.
