

PRESS COMMUNIQUE

Ebene Recreational Park **HEALTH TRACK ONLY OPEN** as from 1 May 2021

Metro Express Ltd is pleased to inform the public that the Ebene Recreational Park **HEALTH TRACK ONLY** will be opened as from Saturday 1 May 2021, as previously announced by the Government concerning the practice of open-air individual sports activities.

The public will have access to the HEALTH TRACK ONLY and not to the children's playground and petanque court which will be closed for sanitary reasons.

Appropriate safety, health and sanitary measures have been put in place by our team and all the following measures will need to be strictly observed by the users of the park to protect themselves and prevent spread of the COVID-19 disease.

Safety, sanitary measures and protocols

All users are expected to ensure their personal protection, proper hygiene, to comply with all instructions implemented by Metro Express Ltd to have access to the health track. The following safety, health and sanitary protocols have to be strictly followed in the Park:

- It is mandatory to wear a face mask to have access to the health track and use hand sanitizers which will be provided at the main entrance.
- 1-metre physical distancing has to be observed at main entrance, along the health track, when using the benches and at sanitary conveniences. The public must show discipline inside the park.
- Temperature check will be undertaken as per the protocols before entering the park.
- Adherence to the existing Ebene Recreational Park rules and regulations.

Please note that a limited number of users will be allowed in the health track. Cleaning of sanitary conveniences and benches are being done on a regular basis.

We thank you for your understanding and cooperation. We look forward to welcome you to get back to the health track.
